CAR HIRE

Car hire will definitely improve your mountain Holiday. No other mode of transport gives so much flexibility, speed and independence. Why use the bus or train, wait at the railway stations or depots and make travel your travel time much longer if you can just rent a car? A rented car will always turn out to be more convenient than any option of public transport. You will find all the major car hire companies in Geneva airport, but it is always advisable to book in advance of travel.
